

FOUR-YEAR PLAN CHART/SCHEDULE REQUEST

NAME: _____

GRADE: _____

This four-year plan chart is designed to aid students in their program planning. Students are encouraged to complete it by talking to teachers, counselors, and parents. If you are an upperclassman, fill in the earlier years to help you realize where you stand in completing your requirements. If you are an underclassman, fill in the coming years to help you organize your classes to obtain your goals. The class load is seven classes each semester, and one study hall.
