Attendance

Regular attendance is a must if success in school is to be achieved. Your child should be at school each day he/she is well. Every absence, even part of a day, interferes with your child's education. Illnesses and Dr. appointments cannot always be avoided, but in the event your child has to miss, **please contact the office by 9:00** to avoid a phone call home at 952-3000 ext. 100. You may leave a detailed message at any time.

Please note that **only** absences that are verified by a doctor's note, a bereavement leave for a family member, or an absence due to military deployment or return are defined as excused. You may also want to check the student handbook posted on our school webpage for clarification.
