Information on Delays/School Cancellations/Text Alerts/Etc:

With our first round of elearning came many questions about who goes where and when. Please see below about school delays and cancellations. Refer to the following schedule when referencing delayed schedule times:

AM Prosser – If there is a 2 hour delay for Lanesville OR New Albany Floyd County then AM Prosser is not in session. Students who ride the bus can come into school early but will need to report to study hall until 5th period starts. Students with transportation to come to school later will need to be in class by the start of 5th period and will need to sign in at the office as they come in. If Lanesville is out but New Albany Floyd County is in school then students DO NOT report to Prosser as we do not provide transportation. If New Albany Floyd County is out but we are in session with no delay students will report at by the start of 5th period and sign in at the office.

PM Prosser - If there is a 2 hour delay for Lanesville then PM Prosser students will stay at Lanesville until the end of 4th period on the delay schedule (12:12pm). If New Albany Floyd County is delayed but Lanesville is not then PM Prosser reports at normal time. If Lanesville is out but New Albany Floyd County is in school then students DO NOT report to Prosser as we do not provide transportation. If New Albany Floyd County is out but we are in session PM Prosser students are allowed to leave after then end of 4th period (they must stay the full 4th period on these days, they usually leave before the end of 4th period)

ROTC – If Lanesville has a 2hr delay students do not go to Floyd Central for ROTC but they do practice at Lanesville during 7th period. On days that NAFC is not in school be we are and on regular schedule then ROTC will once again practice here during 7th period.

Seniors taking 1st period college classes and 3rd/4th period college English- If there is a 2 hr delay, 1st period college classes WILL NOT meet. Students who take the 3rd/4th period English will need to be here by regular time (9:45AM, not 9:55 delay time) if the delay occurs on Monday/Wednesday to attend their IUS class. This class will still meet from 945-11am on Mondays/Wednesdays even with a delay.

Text Alerts – For text alerts for dismissals or delays you can sign up for those multiple ways. One way is through news station alerts. You will usually get those alerts a few minutes before the school alerts as the news channels are the first call after a decision is made. You will just go to the news channel you choose and sign up for their text alerts online. Another way is through our Harmony text alerts. Those are usually set up during registration. PLEASE NOTE…if you cell phone number or carrier changes, the school must be notified to change the information or you will not receive the text. If you would like to be added to the school notifications, please email simlerc@lanesville.k12.in.us with your child's name, your cell phone number, and your cell phone provider. Our website, www.lanesville.k12.in.us will have a message on it, along with Twitter (Mr. Morris' account-@SteveMorrisBPN and @BPNEagles), and Instagram (bpneagles).

Senior Night Information – Sat 2/10

Senior night at the boy's basketball game will take place on Saturday evening, February 10th after the JV game. If you plan on participating students need to complete the Google form below and arrive to the game by 630pm. We will have everyone line up after the 3rd quarter of the JV game (around 6:45pm). This allows us to get everyone in alphabetical order and to update a script for the announcer based on who attends. During this ceremony students are escorted out onto the court and they are announced, along with future plans and any school activities they participated in during their senior year.

Due to printing deadlines we must have the Google form below completed by the students no later than Wednesday, January 24th. This allows for time to format and have the programs printed. Students that do not complete the form will not be listed in the program. You can be listed in the program even if you do not plan on attending the game. Students - Please take the time and complete Google form https://goo.gl/forms/z7tAonVNdVwweXof1 by January 24th.

Shoe donation boxes

College Credit Opportunity---CLEP exams

Enclosed is some information on a new opportunity for high school students to earn college credit by taking online courses and passing an exam to earn the credit. CLEP exams are a multiple choice test provided by the College Board. There are 33 different "freshman" level college courses Indiana Students could test out of and earn college credit. The tests have a cost, and it is usually around eighty-five dollars. However, if your student can pass the multiple choice CLEP test, they earn college credit.

Right now each college has its own "score" it requires to earn credit under CLEP. Students can look up the CLEP policy for each school on the College Board Website. The College Board Website below has a seven-page list documenting the CLEP policy for each Indiana College.

https://clep.collegeboard.org/school-policy-search

Please review the work of The Modern States Alliance. They have created courses that can help students prepare for CLEP exams. https://modernstates.org/ . The Modern States Alliance is a non-profit and they have developed an amazing program called the Freshman Year for Free. Currently, the Alliance is offering vouchers that will pay the cost of any CLEP exam.

https://modernstates.org/freshman-year-free/

CLEP exams offer students from small schools, and rural areas access to even more opportunities to earn college credit beyond just AP or dual credit. **CLEP exams offer students from any school in Indiana the opportunity to test and earn college credit.**
