

Vince Stilger, HSD, ATC

Certified Athletic Trainer

Vince Stilger, HSD, ATC, joined Baptist Health Floyd in 2018 and provides sports medicine coverage for Lanesville High School in southern Indiana.

Vince is a graduate of Lanesville High School. He received his Bachelor of Science degree in health and safety education and athletic training, and his Master of Science degree in health and safety from Indiana State University. Vince also received his doctorate of health and safety from Indiana University.

Vince has been a certified athletic trainer since 1982. He has worked in numerous settings as a professor, clinical educator and athletic training program director. His most recent position was at West Virginia University where he was the undergraduate athletic training program director and an associate professor. Vince also assisted as an athletic trainer with the WVU football team from 1994 to 2013. From 2016 to 2018 he volunteered as an athletic trainer with the WVU baseball team.

Some of Vince's professional experiences include traveling to Europe in 1989 as an athletic trainer with the United States Luge team. Vince has served as the head athletic trainer for the Special Olympics Indiana Summer Games since 1988 and served as an athletic trainer for Team USA Great Lakes region during the Special Olympics World Games in Dublin, Ireland in June of 2003.

Vince has also worked part time with the Indianapolis Colts, published several articles, given professional presentations, and served on various state, regional and national athletic training committees.

Some of Vince's hobbies and interests are spending time with his wife, Melanie, gardening, being outdoors, working out, riding his Harley and woodworking. He also is an avid St. Louis Cardinals baseball fan.

Vince can be reached at 304.685.0778.
