FROM THE PRINCIPAL

Next week our students will begin taking ILEARN in gr. 3-6. It is extremely important for students to be here on time, eat a good breakfast, and feel rested in preparation to take their test each day. Teachers have made their testing schedules and should have shared that information with you. Please contact your child's teacher if you have any questions about the testing process.

Please remember that if you have been designated to help assist with a spring party tomorrow to arrive a little early in order to give yourself plenty of time to sign in at the office. Remember you must bring your license or state issued ID in order to sign into our Raptor system. Also please remember to exit the school parking lot before buses begin dismissal to avoid any traffic issues with busses or HS drivers.

Spring Art Show and Concert April 29th

The elementary spring Art Show and Concert is scheduled for Monday, April 29th. Doors for the Art Show will open at 6:00. Students will report to classrooms at 6:50 with the concert beginning at 7:00. We hope you will bring friends and family to view our works of art and listen to the songs our students have been practicing for you!

The Book Fair is Coming!

The Elementary Library is excited to be hosting our annual spring book fair! Students will visit the book fair during their scheduled library time from April 23-April 30. The book fair will be open for shopping before the Spring Concert and Art Show on April 29th from 4:30-7:30.

You can also visit the book fair online until May 1st with this link:

FIELD DAY 2019

Tuesday, May 28, 2019 will be the date of our annual Field Day. We are going to be dividing field day into stations this year. We will have several stations for our students to enjoy. To insure the continued success of our annual Field day, we must, as in the past, rely on the outstanding support from our parent/guardian volunteers. Our Field Day will be broken down into a morning session and an afternoon session with lunch in between. If you would like to volunteer your help with this year's field day, please complete the form below and return it to Mrs. Armstrong. Please feel free to sign up for the morning, afternoon, or even both sessions, if you wish.
