## **Academic Banquet – Saturday, 4/27 6pm**

Academic Banquet invitations for grades 9-12 went out this week via email. If you/your child did not receive one and believe that they should have please email [simlerc@lanesville.k12.in.us](mailto:simlerc@lanesville.k12.in.us). To qualify the student must have achieved a 3.0 GPA in at least 1 of the last 2 semesters or participated in a Lanesville club (FFA, ROTC, Renaissance, etc) in some capacity. Please RSVP by next Tuesday 4/16 so the appropriate amount of food can be ordered for the meal.

## **Pictures for graduation slide show**

Graduation is approaching quickly and the student council members are trying to put together a "flashback" slide show. If anyone has pictures that they would like to send of the senior class please do. Any printed out copies can be sent to the office for one of the class officers to pick up. Please put in an envelope marked with who the pictures need to be returned to. If the pictures are digital, they can send it to Beth Combs at [combse@lanesville.k12.in.us](mailto:combse@lanesville.k12.in.us)

## Prom Tickets On Sale!

Tickets for Lanesville's Jr/Sr Prom are now on sale in the office. Prom is May 18th at the Calumet Club. Tickets are \$25 for any junior or guest; seniors' tickets are free. Below is a list of reminders for all prom attendees. Please sign up for prom in Mrs. Stark's office by May 3rd. All non-LHS attendees must have paperwork filled out and turned in by May 11th. When students sign up for Prom they will need an emergency phone number for both them and their date, they need to know if they are going to afterprom, and payment for tickets must be made at the time of signup.

The After Prom Parent committee will be coming in at a future date to collect shirt sizes for after prom.

# Prom Regulations

Prom and after-prom are both school-sponsored events, and as such follow the regulations in the Lanesville Jr/Sr High School handbook. Examples of these regulations are as follows:

- No weapons, alcohol, tobacco, and drug products or paraphernalia allowed on the premises.
- Attendees must be at least sophomores in high school and no older than 20.
- Attendees are not allowed to be intoxicated at prom.
- Attendees can be searched/tested for weapon, drug, alcohol, and/or tobacco use if reasonable suspicion of use or possession is present. Examples of testing/searching include but are not limited to use of a breathalyzer, metal detector, and physical search of person (as outlined in 2018-2019 student handbook).
- For student safety, students will **not** be allowed to leave and re-enter Prom. Our School Resource Officer will be present to help ensure safety as well.
- Only those who have purchased a ticket or are currently enrolled as seniors at Lanesville Jr/Sr High are allowed to enter the prom venue. Guests from other schools will need to have a separate form filled out and on file with Lanesville Jr/Sr High before May 11, 2019.

### Amatrol Robotics Camp

Amatrol, Inc. is hosting their annual Robotics Engineering Summer Camp that will be a fantastic experience for your graduating 8<sup>th</sup> and graduating 9<sup>th</sup> graders (next year's 9<sup>th</sup> and 10<sup>th</sup> graders). While the focus of the camp is on robots, attendees also will talk with members of the staff in engineering fields such as equipment design and software development. Sessions are June 17th-28<sup>th</sup> Monday – Friday 830-1130 or 130-430. Cost is \$40 and it is held at the Amatrol location in Jeffersonville. Flyers and applications are available in the high school office.

**IHCAA Notice**

**NOBODY LIKES TO BE YELLED AT**

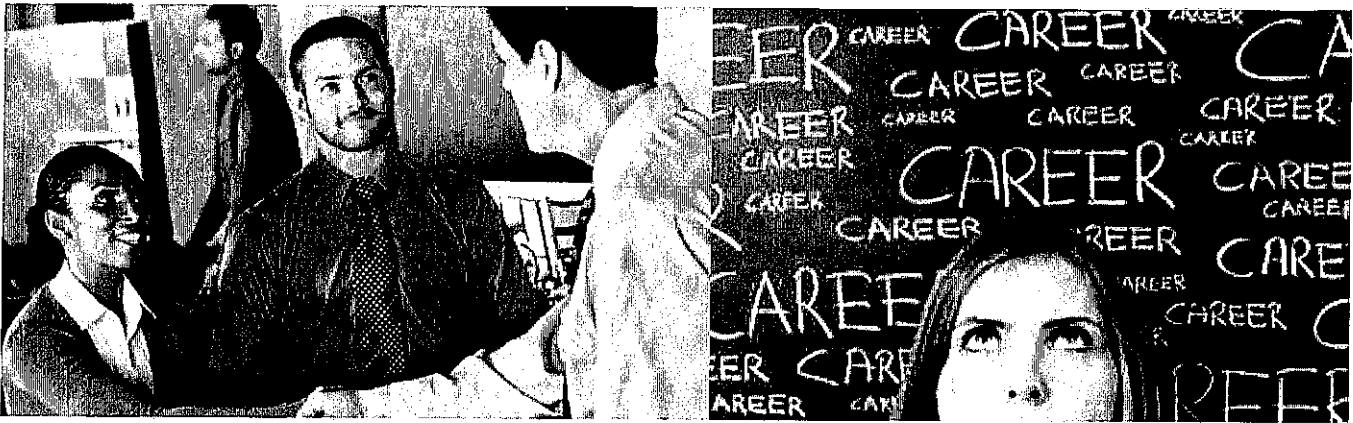

Do you know why so many young high school coaches are quitting? Or why there is a growing shortage of high school officials?

Research shows that it's mostly because of parents and adult fans.

Nobody likes to be yelled at. And yet an increasing number of fans are vocal about criticizing our coaches and officials.

Treat the men and women who make high school sports possible with courtesy and respect. Yell for your team as loud and as often as you'd like, but—please—never yell at our coaches and officials.

# ILEARN Assessment Information for Families

## 5

### Key Points for Families to Understand About Indiana's New Assessments

*"Educator-Created; Student-Centered"*

#### 1. What is ILEARN?

ILEARN is Indiana's new online computer-adaptive assessment designed to measure your child's proficiency of the Indiana Academic Standards in Grades 3–8, Biology and U.S. Government. ILEARN fulfills both state and federal legislative requirements as the accountability assessment for Indiana students.

Subject	Grade(s)
ILEARN English/Language Arts	Grades 3–8
ILEARN Mathematics	Grades 3–8
ILEARN Science	Grades 4 and 6
ILEARN Social Studies	Grade 5
ILEARN Biology End-of-Course Assessment (ECA)	High School*
ILEARN U.S. Government End-of-Course Assessment (ECA) (optional)	High School

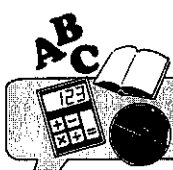

\*Taken at the end of the course, regardless of grade level.

#### 2. What is a computer-adaptive assessment and how does it benefit my child?

Computer-adaptive assessments adapt to each student's mastery of the content throughout the assessment. Every time a student answers a question, his or her response helps determine the next question presented. **The difficulty of the test will adjust to each student's skills**, providing a better measure of what each student knows and can do.

- ILEARN is a computer-adaptive assessment. For more information about computer-adaptive assessments, visit: <https://www.doe.in.gov/assessment/assessment-literacy>.

#### 3. How does ILEARN support all students?

The new online testing system is easy to use and is more accessible to students who require **features or accommodations** while testing. New tools and resources are available to help students show what they know.

- Built-in glossaries allow students to select unfamiliar words and read their definitions. Glossaries are available in English, Arabic, Burmese, Mandarin, Spanish, and Vietnamese.
- Students are provided with authentic tools, such as spell check, a dictionary, and a thesaurus for use when responding to the writing task.
- The Desmos calculator (provided for Mathematics Grades 6–8) is available for students to practice using free of charge at: [desmos.com](https://www.desmos.com).
- Spanish translations (stacked over the English version) are available for Mathematics, Science, and Social Studies.

#### 4. What resources are available to help prepare my child for ILEARN?

- Indiana's Released Items Repository allows students to interact with released items and try some of the tools and features at: <https://www.doe.in.gov/assessment/ilearn-sample-items-and-scoring>.
- Indiana's ILEARN Portal provides information and resources for understanding the assessment at: <https://ilearn.portal.airast.org/>.
- The ILEARN for Families website answers questions about ILEARN at: <https://www.doe.in.gov/assessment/ilearn-families>.

#### 5. When will I receive score reports about my student's performance on ILEARN?

- Schools can access final scores and score reports on August 15, 2019 in the Online Reporting System. Beginning in 2019–20, reports will be available to schools within 12 days of students testing.
- Reports provide a scale score as an indication of overall student achievement in a grade level, as well as several subscores.
- Parents and guardians may request rescoring of open-ended items through the local school.
