Principal's Notes

Welcome to the 2022-2023 school year! We are looking forward to a new year of excitement and learning! It has been wonderful seeing the school come back to life this week with students, teachers, and families entering the building again. As we enter the new school year, we would like to welcome several people to our Lanesville team. We would like to introduce our new teachers Ms. Crosier, Mr. Melhiser, and Mrs. Nelson. We are also happy to introduce Mrs. Thompson, Mrs. Buckley, Mrs. Kramer, Mrs. Worrall, and Mrs. Tackett as instructional assistants. Last, but not least, we welcome Samantha Steele as our new elementary counselor. We are delighted to have everyone on board!

Online Registration

If you have not already done so, log into your child/children's Harmony account and complete the online registration process. This is different from enrollment. This requires the completion of demographic information.

Emergency Dismissal Forms

It is extremely important that Emergency Dismissal forms are completed and returned to the office as soon as possible. Please be sure to fill the form out completely. If you have any questions or need another form, please contact the office.

Background Checks

If you think you might be interested in volunteering at any point this year, you will need to have a completed background check on file. This form must be submitted by **Aug 31, 2022**. The forms can be found at <http://www.lanesville.k12.in.us/elementary/#forms>. Please read all the information carefully. Our background checks are a two-step process and we want to be sure everyone who wants to volunteer has the proper documentation on file. Thank you.

News from the Nurse's Office

If your child has been exposed to someone that has tested positive for COVID even in the same household they are still able to come to school. There are no more close contact quarantine guidelines. If your child develops symptoms they will need to stay home until they are fever free for 24 hours and symptoms have improved. Per the health department the CDC recommends seeing your primary care physician after a positive home test . If you decide to do this they will give you a note with instructions to return. Absences remain the same as before with a doctor's note excusing the absence. If you have any questions please let me know. Thank you!

Breakfast & Lunch

This is a quick reminder that we are still serving breakfast in the cafeteria. Breakfast costs \$1.80. If you qualify for reduced meals, breakfast will cost .30. Free and reduced applications have been processed and letters will be going out next week. We encourage all families to complete the free and reduced application as the income guidelines have changed.
