## Student Council Spirit Wear Sales

The Student Council is having an Eagle Apparel fundraiser through 6 pm on Monday, October 31st. The Lanesville Elementary Student Council will earn \$3 for every item sold. All orders are supposed to be in before winter break, so these would make great holiday gifts! Be sure to place orders as soon as possible. No late orders will be accepted. Please see the following link: <https://323ink.chipply.com/LES/>  
Thank you for your support of the Lanesville Eagles!

## Title I Family Appreciation Night

You are invited to attend our Title 1 Family Appreciation Night. We are fortunate at Lanesville to have high parental support of programs and activities. The Title 1 program emphasizes parental support and requires schools to provide an opportunity for parent suggestions and feedback. Mrs. Parr and I will be available at the dinner to answer any questions you may have regarding the Title 1 program.

As in the past, we are incorporating our Title 1 parent night with our school appreciation night. It will be held on Thursday, October 27th at 6:00 pm. There will be a complimentary spaghetti dinner served in the cafeteria.

Following the dinner, we will have games and activities available for student participation. There will also be door prizes for students that are in attendance. If you plan on attending, please click on the link to fill out the google form by October 24th with the number in your party.

Retake Picture Day is 10/25/22! If you're satisfied with your child's picture, no further action is required.

If you purchased and were unhappy with your Picture Package, please send your Picture Package to school with your student on Retake Day. Your Retake Picture Package will be produced and shipped to the school four weeks after Retake Day. Please note, if your child is photographed on the original and Retake Picture Days, the Retake picture will replace the original picture in certain products, like the yearbook.

Students who were absent for Picture Day should come to school prepared to have their picture taken. If you have not preordered, please use the Retake Order Code 71867VF to place your order at <https://inter-state.com/Order>. To see your Order History, check your [Inter-State Account](#).

## Mrs. Steele's Counselor's Corner

Happy Friday, LES Families!

I missed all of your kiddos over fall break and was very excited to hear about their trips, adventures, and breaks!

Third Grade: This week, third graders started talking about growth mindsets vs. fixed mindsets. We talked about how our brains are similar to rubber bands and have the ability to grow, stretch, and get bigger. Everyone could relate to a time they had a fixed mindset and gave up when things got too hard. We had a great time role playing scenarios where we can use our growth mindset to accomplish something hard!

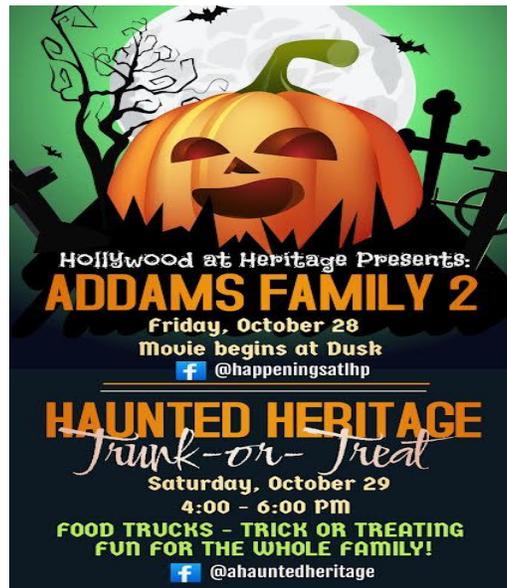

Fourth Grade: Last time we met, fourth graders learned about worries and anxiety. This week, we discussed how to handle the anxiety. We learned techniques like grounding, deep breathing, challenging negative thoughts, and positive thinking.

Fifth Grade: To wrap up cyberbullying, student began working on designing their own "bully-free" app or game. They've been working on these for a few weeks and have come up with some very interesting ideas! I've been motivating them by letting them know they may have the next million dollar idea! I love their creativity.

Sixth Grade: This week, we took learning style quizzes and discussed how those results impact our study habits and education. An overwhelming amount of students scored highest in tactile/kinesthetic learning, which means they learn best through hands on teaching. We talked about how to maximize their strengths and use this knowledge to their advantage in projects and studying!

Have a wonderful weekend!
