CAFETERIA NEWS:

Happy New School Year!

We take great pride in being able to offer your student healthier food choices to fuel their bodies to get them through the school day. Our meals are designed to offer a wide variety of healthy options that include seasonal fresh fruits and vegetables, fat free and low- fat flavored milk, and whole grain-rich foods. Not only are they healthy, they are tasty too!

Please take a moment to review some important information that will assist you in successfully navigating the food service program offered at the Lanesville Community School. If you do have any questions, please feel free to contact me by phone or email.

How much are meals? All Student breakfast - \$1.80, Elementary lunch - \$2.70

<u>POINT OF SALE (POS)</u>: The LCS uses a Point of Sale "POS" debit system for lunch purchases. The POS systems allows you to prepay for your student's lunch and/or ala carte purchases.

Three ways to Pre- Pay:

- 1. On-line payment can be made by accessing your child's Harmony account.
- 2. Checks made payable to the LCS Lunch Program can be brought in by your child. One check per family can be split between your children. Please make note of how you would like the funds distributed.
- 3. Cash must be sealed in an envelope. Include student's name, classroom and ID number on the outside of the envelope. What if your student's account is negative? Even if their account has a negative balance, your student will NEVER be denied a student meal. However, students with a negative account, will not be allowed to charge/purchase "a la carte" items including extra entrees. (No Exceptions)

<u>How to get meal assistance?</u> Parents/guardians may apply at anytime during the school year for free or reduced meals. Please apply on line using your student's Harmony account or contact the cafeteria for an application.

Understanding the Lunch Line: A Parent's Guide

Each day, your child is offered a lunch containing the following:

Meat or Meat Alternate, Grain,

Fruit, Vegetable

and of course, Milk!

While the most nutritious lunch contains <u>all</u> of these options, we understand that sometimes our students do not like some of the items we serve. To make our student customers happy, we like to give them the option to decline items they do not want to eat.

Out of the 5 food groups your student is offered, he must choose <u>at</u> <u>least</u> 3 food groups for his meal. One of the food groups <u>must</u> be a <u>fruit</u> or vegetable. Some of the menu choices may count as two food groups such as pizza, nachos, cheeseburger, or chef salad!

Here's an example menu:

Cheeseburger on a Bun
1/2 cup Carrots
1/2 cup French Fries
1/2 cup Peaches
8oz of Milk

So, your child could choose:

Cheeseburger on a Bun and Fries
Carrots, Peaches and Milk
Cheeseburger on Bun, Peaches and Milk

Of course they can take other combinations or all 5 food groups!

The choice is up to them!

If your child comes home and says she didn't get enough to eat at lunch, ask if she is taking all of her fruit and vegetable choices!
