PARENTSQUARE INFORMATION:

**Have you heard the news that Lanesville School
with be using ParentSquare this year?**

We are still getting things ready on our end, but we need your help!

- When you are completing registration for your student(s), please make sure you complete the fields under each guardian. (Example: enter father's email address under Father and mother's email address under Mother.) *See the image to the right as an example.
- If you have already completed registration, feel free to log into Harmony and click the "Update Demographic Information" link and send us your updated information.
- Feel free to use the additional guardian areas to suit your family's needs. (This allows you to include a step-parent or grandparent as your family deems fit.)
- We are not ready for parents to start logging in just yet. We need as many families to update their information as we can before we start using the service.

The image shows a screenshot of the ParentSquare registration form for a 'Father'. The form has a blue header bar with the word 'Father' in white. Below the header, there are several input fields: 'Last Name:', 'First Name:', 'Address:', 'City:', 'State:' (with a dropdown menu showing 'IN'), 'Zip:', 'Phone:', 'Cell Phone:', 'Provider:' (with a dropdown menu showing 'T-mobile'), and 'Email Address:'. The 'Cell Phone', 'Provider', and 'Email Address' fields are highlighted with yellow bars.

Thank you in advance for your help with this. If you have any questions, please feel free to reach out.

PICTURE RE-TAKE INFORMATION

**Picture re-take day will be on
October 24, 2023.!**

SUMMER HEAT INFORMATION:

As we are heading into the later parts of summer, we want our families to be aware that if there is a heat advisory in effect, our students will not be going outside for recess. After speaking with Nurse Cassie, this makes a clear and defined cutoff that can be followed to ensure our students don't get overheated.

CLOTHING:

Parents, please be sure your child has their name in their sweatshirts, jackets, and coats. We want to make sure students keep track of their clothing throughout the school year.

Thank you!

STUDENT & STAFF THANK YOU:

As most of our families know, we have had a shortage of custodians for the last couple of weeks. Administration is working diligently to remedy the situation and quickly hire more people. During this time, the students, teachers, staff, and custodians have all been pitching in with extra duties to help keep the school in good shape. This combined effort is what makes Lanesville an incredible school. From vacuuming floors, to taking out garbage, to cleaning desks, everyone is willing to do whatever it takes to get the job done!

Thank you for your extra hard work!

A NOTE FROM MRS. STEELE:

Happy Friday LES Families!!! I am so excited to be back this year and have loved meeting all of our new students and having a chance to reconnect with those from last year. I just wanted to give you a head's up that I do plan to continue sharing information with you about our guidance lessons and the great things we are learning here at school. However, this year, I will be pushing out a separate monthly newsletter to families that will include more information such as tips, resources, and information about groups I will be running.

I look forward to working with you and having an amazing year! Be on the lookout for the first counselor newsletter next week!

The Happenings at Heritage Committee is responsible for organizing free, family friendly community events at Lanesville Heritage Park. Last year we hosted our first Touch-A-Truck and it was a huge success! We hope to return bigger and better than last year and need your help to make that possible.

Please join us in participating at the 2nd Annual Touch-A-Truck event at 6:00 pm on Friday, September 22. This event will give families an opportunity to learn about the different businesses that are powered by community helpers. Not only will they be able to explore the different vehicles, but they will enjoy meeting the people who help build, protect, and serve our community. Children will be thrilled to hear the sirens, see flashing lights, watch the tractor bucket move, and learn about the different safety features and uses these vehicles have!

Would you be willing to join us for this exciting event and engage your business in the community? We are looking for any unique equipment, big or small! If you would like to participate, please email Tara Dye at dyet01@lanesville.k12.in.us. We hope to see you there!
