## CAR RIDER INFORMATION:

# LANESVILLE ELEMENTARY

## Car Rider drop off Guide

- ✈ When entering the parking lot (spot A), take turns with oncoming traffic.
- ✈ Do not stop in front of Elementary doors (spot B).
- ✈ Please pull all the way forward to the next available spot (think of this as a drive thru line). All the way up to right before the high school doors. (Spot C)
- ✈ Your child should be ready to get out of the car as soon as you stop (backpacks on, lunches and projects in hand, etc.). Say your goodbyes before your turn to unload – this will help keep cars moving in line.

Parents are to remain inside their cars— do not leave car unattended.

## SCHOOL NURSE INFORMATION:

Welcome back to school! Please make sure to turn in any vaccine records to the nurse as soon as possible. I will be sending out notifications of anything that is missing. If your child has any health concerns or allergies, please make sure to let me know.

We will be doing kindergarten vision screenings with Dr. Black's on August 23, 2023.  
More information to come on that.

I can be reached via email at [gustinc@lanesville.k12.in.us](mailto:gustinc@lanesville.k12.in.us) or by phone at (812) 952-2555 ext 205

I am looking forward to a great year!

## PARENTSQUARE INFORMATION:

Have you heard the news that Lanesville School  
with be using ParentSquare this year?

We are still getting things ready on our end, but we need your help!

- When you are completing registration for your student(s), please make sure you complete the fields under each guardian. (Example: enter father's email address under Father and mother's email address under Mother.) \*See the image to the right as an example.
- If you have already completed registration, feel free to log into Harmony and click the "Update Demographic Information" link and send us your updated information.
- Feel free to use the additional guardian areas to suit your family's needs. (This allows you to include a step-parent or grandparent as your family deems fit.)
- We are not ready for parents to start logging in just yet. We need as many families to update their information as we can before we start using the service.

A screenshot of a web form titled "Father" in a blue header. The form contains several input fields: "Last Name:", "First Name:", "Address:", "City:", "State:" (with a dropdown menu showing "IN"), "Zip:", "Phone:", "Cell Phone:" (highlighted in yellow), "Provider:" (with a dropdown menu showing "T-mobile"), and "Email Address:" (highlighted in yellow).

Thank you in advance for your help with this. If you have any questions, please feel free to reach out.

Paul Hancock- IT Director

## SUMMER HEAT INFORMATION:

As we are heading into the later parts of summer, we want our families to be aware that if there is a heat advisory in effect, our students will not be going outside for recess. After speaking with Nurse Cassie, this makes a clear and defined cutoff that can be followed to ensure our students don't get overheated.

## CLOTHING:

Parents, please be sure your child has their name in their sweatshirts, jackets, and coats. We want to make sure students keep track of their clothing throughout the school year.

Thank you!

## CAFETERIA NEWS:

We've received several inquiries about P-EBT cards that families have received in the mail. Below is a statement from the IDOE regarding the cards and how they can be used:

Families can only use their PEBT cards at grocery stores or farmers markets that accept SNAP bucks. These cards can not be used to make purchases for your child's school lunch program. They should have seen information about what they could purchase with the paperwork that came with their card. The Supplemental Nutrition Assistance Program benefits are used like cash to buy eligible items at any store, supermarket, farmers market or co-op approved by the U.S. Department of Agriculture. SNAP can only be used for food and for plants and seeds to grow food to eat. Sales tax cannot be charged on items bought with SNAP.

### A message from Mrs. Denny:

We take great pride in being able to offer your student healthier food choices to fuel their bodies to get them through the school day. Our meals are designed to offer a wide variety of healthy options that include seasonal fresh fruits and vegetables, fat free and low-fat flavored milk, and whole grain-rich foods. Not only are they healthy, they are tasty too!

Please take a moment to review some important information that will assist you in successfully navigating the food service program offered at the Lanesville Community School. If you do have any questions, please feel free to contact me by phone or email.

How much are meals? All Student breakfast - \$1.80, Elementary lunch - \$2.70

POINT OF SALE (POS): The LCS uses a Point of Sale "POS" debit system for lunch purchases. The POS system allows you to prepay for your student's lunch and/or ala carte purchases.

#### Three ways to Pre-Pay:

1. On-line payment can be made by accessing your child's Harmony account.
2. Checks made payable to the LCS Lunch Program can be brought in by your child. One check per family can be split between your children. Please make note of how you would like the funds distributed.
3. Cash must be sealed in an envelope. Include student's name, classroom and ID number on the outside of the envelope.

What if your student's account is negative? Even if their account has a negative balance, your student will NEVER be denied a student meal. However, students with a negative account, will not be allowed to charge/purchase "a la carte" items including extra entrees. (No Exceptions)

How to get meal assistance? Parents/guardians may apply at anytime during the school year for free or reduced meals. Please apply on line using your student's Harmony account or contact the cafeteria for an application.

\*Please be sure to keep up with your student's lunch account balance. Thank you!

## CAFETERIA NEWS:

### Understanding the Lunch Line: A Parent's Guide

Each day, your child is offered a lunch containing the following:

**Meat or Meat Alternate,**  
**Grain,**  
**Fruit, Vegetable**  
**and of course, Milk!**

While the most nutritious lunch contains all of these options, we understand that sometimes our students do not like some of the items we serve. To make our student customers happy, we like to give them the option to decline items they do not want to eat.

Out of the 5 food groups your student is offered, he must choose at least 3 food groups for his meal. One of the food groups must be a **fruit** or **vegetable**. Some of the menu choices may count as two food groups such as pizza, nachos, cheeseburger, or chef salad!

Here's an example menu:

**Cheeseburger** on a **Bun**  
1/2 cup **Carrots**  
1/2 cup **French Fries**  
1/2 cup **Peaches**  
8oz of **Milk**

**So, your child *could* choose:**

**Cheeseburger** on a **Bun** and **Fries**  
**Carrots, Peaches** and **Milk**  
**Cheeseburger** on **Bun, Peaches** and **Milk**  
**Of course they can take other combinations or all 5 food groups!**  
**The choice is up to them!**

If your child comes home and says she didn't get enough to eat at lunch, ask if she is taking all of her **fruit** and **vegetable** choices!
