Car Rider drop off Guide

- ✈ When entering the parking lot (spot A), take turns with oncoming traffic.
- ✈ Do not stop in front of Elementary doors (spot B).
- ✈ Please pull all the way forward to the next available spot (think of this as a drive thru line). All the way up to right before the high school doors. (Spot C)
- ✈ Your child should be ready to get out of the car as soon as you stop (backpacks on, lunches and projects in hand, etc.). Say your goodbyes before your turn to unload – this will help keep cars moving in line.

Parents are to remain inside their cars– do not leave car unattended.

PBIS DONATION REQUEST:

The PBIS committee is looking for donations to help stock our Student PBIS Store! PBIS (Positive Behavioral Interventions & Supports) is a school wide initiative that we use to reward students for showing Eagle Expectations, being kind, and doing amazing work! Students earn "Eagle Tickets" throughout the school day for positive behavior and then get to cash those in for rewards (at least 2x a month)! We want to make the store fun and exciting for all students, K-6, at LES!

There are several ways you can support us! Attached is a flyer with a QR code you can scan to reach our Amazon Wishlist. I have also included the link that will take you there as well! All items ship directly to our school!

[PBIS AMAZON WISH LIST](#)

If you would prefer to send in donations, we would love individually wrapped snacks (NO PEANUTS), Gatorades, juices, etc... Because ALL kids love snacks! Please label these as PBIS Store and send to the office!

THANK
you

You can also help by spreading the word!

The Happenings at Heritage Committee is responsible for organizing free, family friendly community events at Lanesville Heritage Park. Last year we hosted our first Touch-A-Truck and it was a huge success! We hope to return bigger and better than last year and need your help to make that possible.

Please join us in participating at the 2nd Annual Touch-A-Truck event at 6:00 pm on Friday, September 22. This event will give families an opportunity to learn about the different businesses that are powered by community helpers. Not only will they be able to explore the different vehicles, but they will enjoy meeting the people who help build, protect, and serve our community. Children will be thrilled to hear the sirens, see flashing lights, watch the tractor bucket move, and learn about the different safety features and uses these vehicles have!

Would you be willing to join us for this exciting event and engage your business in the community? We are looking for any unique equipment, big or small! If you would like to participate, please email Tara Dye at dyet01@lanesville.k12.in.us. We hope to see you there!
